

Pupil Premium Policy 2018/19

Incl. 2017/18 Year End Report

1.0 Overarching Principles

- 1.1** At Noadswood School, all members of staff and governors accept responsibility for those pupils recognised as 'disadvantaged' and are committed to meeting their pastoral, social and academic needs.
- 1.2** Every child who is considered to be 'disadvantaged' is valued, respected and entitled to develop to his/her full potential, irrespective of disadvantage.

2.0 Background to the Pupil Premium

- 2.1** Introduced in April 2011, the Pupil Premium is a Government initiative that provides additional funding aimed at pupils from disadvantaged backgrounds. Research shows that pupils from disadvantaged backgrounds underachieve compared to their non-disadvantaged peers. The Pupil Premium is provided in order to support these pupils in reaching their potential (academic, emotional and social). The Government has used pupils who have been entitled to Free School Meals in the last 6 years, those who are looked after and children of HM Forces as an indicator for those who are disadvantaged. They have given a fixed amount of money to schools based on the number of disadvantaged pupils.

3.0 Overall Objectives:

- 3.1** Our school will ensure that the Pupil Premium funding reaches the groups of pupils for whom it was intended and that it makes an impact on their education and lives.
- 3.2** The Pupil Premium will be used to provide additional educational support to improve the progress and raise the achievement for these pupils.
- 3.3** The funding will be used to narrow and close the gap between the achievement of these pupils and their peers.
- 3.4** The school will use the additional funding to address any underlying inequalities between children eligible for Pupil Premium and others.

Pupil Premium 2018/19

4.0 Pupil Premium 2016/17

- 4.1 The Pupil Premium will be clearly identifiable within the budget.
Noadswood has been allocated the sum of £176,500 during 2017/18.
- 4.2 For year 2017/18 21.7% of our pupils are eligible for Pupil Premium funding.
This is a total of 218 of which 34 are in Year 11.
- 4.3 The Head teacher in consultation with the governors and staff will decide how the Pupil Premium is spent for the benefit of the entitled pupils.
Funding will be allocated where necessary for either priority groups or individuals.
- 4.4 In making provision for disadvantaged pupils, we recognise that not all pupils who receive Free School Meals will need Pupil Premium assistance. We also recognise that not all pupils who are disadvantaged are registered or qualify for free school meals. We therefore reserve the right to allocate the Pupil Premium funding to support any groups of pupils the school has legitimately identified as being disadvantaged.
- 4.5 The school will assess what additional provision should be made for the individual pupils.
- 4.6 The school will be accountable for how it has used the additional funding to support the achievement of those pupils covered by the Pupil Premium.
- 4.7 The Head Teacher will report to the governing body and parents on how effective the intervention has been in achieving its aims, including publishing online information about how the Premium has been used.
- 4.8 We will track the impact of the strategies put into place through the funding to ensure that we can show the value that has been added to the education of the entitled children.
- 4.9 We will monitor evaluate and review the success of the impact of the Pupil Premium funding.

5.0 Provision 2017/2018

- 5.1 We will regularly seek to further develop strategies and interventions which can improve the progress and attainment of our disadvantaged pupils. Examples of the range of provision we have put in place include:

6.0 Reporting Outcomes 2017/18

6.1 Reports on the attainment gaps between Pupil Premium pupils and Non Pupil Premium pupils will be available to the Headteacher and Governors after each of the four main data drops throughout the year. Information will also be presented on the effectiveness of the provisions being currently used.

6.2 We anticipate the following benefits to be displayed by our disadvantaged pupils:

- 6.2.1 Improved progress and attainment of targeted pupils
- 6.2.2 Improved curriculum engagement of targeted pupils
- 6.2.3 Improved participation of targeted pupils
- 6.2.4 Improved confidence of targeted pupils
- 6.2.5 Improved literacy of targeted pupils

7.0 Reporting Outcomes 2017/18

7.1 Attached to this policy is the report on the performance of our Pupil Premium pupils for the year 2017/18.

Pupil Premium Report on Year End 2017/18

Attainment and Progress at end of KS4

For year 2017/18 15.6% of our pupils were eligible for Pupil Premium funding. This was a total of 218 of which 34 were in Year 11.

Year 2017/18 saw the advent of new more challenging, terminally examined GCSEs in nearly all subjects. These new GCSEs were graded on a 9-1 grading system instead of the legacy method of A*-G. This means that the 2017/18 GCSE results cannot be compared with any previous GCSE results other than in Maths and English

See tables below for **IN-SCHOOL** gaps.

Indicator	Non Pupil Premium Students %	Pupil Premium Students %	Gap
Basics 9-4	67.8	48.7	-19.1

Attainment 8	47.65	38.59	-9.06
EBACC Achieved	20.5	10.3	-10.2

Examples of some of our particularly successful programmes from last year were:

Sound Training:

Twenty students completed this course last year. 95% demonstrated a reading gain in months. The highest gain was +50 months. The average reading gain in months was +21. This was a great result and was better than expected, giving these students a great chance to improve their exam performance.

Small Group Maths Revision After School:

This programme was undertaken by 19 Year 11 students. These students were chosen as there were concerns that their performance in maths would prevent them from making the progress expected OR of gaining a Grade 4 in their final exams. All but one achieved at least a Grade 4 and five achieved a Grade 5. Their mentors also benefited from a deeper understanding of the GCSE mark schemes and they all achieved a grade 8 or 9 in their own GCSE

Year 11 Closing the Gap Cohort

This cohort was made up of twelve students who were involved in several events throughout the year to motivate them and help them to progress in their subjects of study. Our students gained a progress 8 score of -1.4.

Attainment and Progress End of KS3

Student progress is monitored closely which facilitates early intervention for individual students. The majority of students continue to make expected or better than expected progress in English and Maths at KS3. However there still remains a gap between Pupil Premium and Non Pupil Premium.
